JOHN BOUCHARD IS TORY CHOICE FOR GREAT HOLLANDS SOUTH

Long-standing Great Hollands resident to fight Town Council by-election

I am now retired and have lived in Great Hollands since 1968.

During this time I have always been interested in our local community and helped in numerous community organisations. I have been a school Governor at both Easthampstead Park school and the Great Hollands primary schools. My wife and I moved here from South East London and have four children, all born at Heatherwood and still live locally.

My interest in our community has led me to be a Bracknell Borough Councillor for 12 years, and during that time I was the vice-chairman of Housing, also serving on the Planning Committee.

I am an athletics coach and an official at local school, county and, International events. I was an Olympic Gamesmaker as part of the Technical Team and been fortunate enough to have attended the Olympic games on three occasions. I am also an amateur genealogist.

With your support I hope to continue serving our community and helping you all in whatever way I am able.

Why are we having a by-election?

A by-election will take place on **Thursday 6 June** following the sad death of hard-working councillor Graham Ellis. Graham had represented Great Hollands South on Bracknell Town Council since 2007.

The polling station is at **Studio 1, Wooden Hill Primary School, Staplehurst, RG12 9LP**, and will be open from **7am - 10pm**

CONSERVATIVE COUNCILLORS WORKING FOR YOU

AT LAST! WORK STARTS ON NEW TOWN CENTRE

Your Conservative Councillors pledged at the last election to regenerate the town centre. Work begins very soon, with hoardings going up and demolition starting in Crossway and Broadway. You will already have seen that Marks & Spencer plan to open a massive new department store, and Cineworld a state of the art new multi-screen cinema. There will be more announcements in coming months about other stores and restaurants coming to Bracknell.

In Princess Square, a £3m refurbishment is under way. A new entrance and more shops, improvements to the lifts and a fresh lick of paint. The work will take 6 months to complete. Bracknell Town Centre is one of the only regenerations of its size in the country going ahead. That means hundreds of jobs for Bracknell residents, over 500,000sqft of new retail space and over 50 shops and restaurants – and a town centre that we can all be proud of. We are delivering!

UK: CLEARING UP THE MESS

The UK Government's progress so far on clearing up the mess left by Labour . . .
